**RE: 5th Year Ecology Trip to Townley Hall**

Dear Parent / Guardian,

The 5<sup>th</sup> year Ecology Field trip to Townley Hall will take place on the **11<sup>th</sup> May 2018**.

This trip allows students to undertake important field work associated with the Ecology section of the senior Biology syllabus. It is vital that all students attend.

The cost of the trip is €15, which must be paid for using Wisepay. Payments are to be made on the Wisepay system only. The €15 covers the cost of the Ecology practical work and the cost of the bus.

Please make a note of the following information points regarding the trip:

On the date of the trip, the buses will be leaving at 08:30 so students must be in the G.P area at 8:20.

They will return for the end of the school day.

- The students are required to bring a snack with them.
- Students are also required to wear full P.E. uniform. Students who present in school not in their full P.E. uniform will not be allowed to travel.
- The permission section of the Dialann must be filled in or students will not be allowed to travel.

We are looking forward to the field trip and have no doubt that your son/daughter will thoroughly benefit from the experience.

Yours Sincerely,

Rachel Treacy
