RE: King Lear Trip to the Helix

Dear parent(s)/guardian(s),

As you are aware, one element required in the study of Higher Level Leaving Certificate English is the study of a text by William Shakespeare. The text which your son/daughter has studied is King Lear.

On Tuesday 27th February your son/daughter will attend a performance of the play at the Helix, DCU. The cost of this trip has been accounted for in student fees.

On Tuesday 27th February, students will depart school at 8.20am. They will return to school by lunch time. Students will **not** have the opportunity to purchase lunch at DCU and will be able to have their lunch when they return to school.

Students must be prepared for classes in the afternoon.

All students must be in **full school uniform**.

Please ensure that you complete a permission slip in your son/daughter's dialann, giving permission to attend. They may present this to their English teacher.

Sincerely,

The English Department
