## RE: Leaving Cert Calculated Grades, 2020

Dear Leaving Certificate Class of 2020,

We hope you and your families are all keeping well and minding yourselves during these uncertain times.

Your LC Calculated Grades results will be available on **Monday, 7 September at 09.00**. To receive your Calculated Grades, you should again log in to the [Calculated Grades Student Portal](#). A “Before you Begin Guide” will be available on the Student Portal home page to guide you through access to your results and printing a statement of those results. You will be able to view your Calculated Grade results online. You can download and print your ‘Statement of Provisional Results of Calculated Grades for Leaving Certificate 2020’.

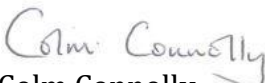

This is the only way to receive a hard copy of your Calculated Grades as, while schools will be provided with details of your results electronically, formal Statements of Provisional Results will not be issued to schools this year and therefore **students will only be able to obtain their results this year by accessing the student portal.**

While we are disappointed that we are not able to welcome students to the school on the day of their results as in previous years, **our Guidance Counsellors will be available to any student who needs advice next week by email or phone. Please see information below for full details if you need any help/advice.**

Finally, LC class of 2020, we want you to know we are very proud of you all and we wish you every happiness and success in the future.

Yours faithfully,

  
Seamus Meehan  
Principal

  
Colm Connolly  
Deputy Principal

  
Donna Kelly  
Deputy Principal

  
John McCarthy  
Deputy Principal
